# LittleBits

The new Makey-Makey Bit allows you to interface with anything conductive to make a switch or button. In total, you receive 7 bits, all with a wide variety of uses that can be applied to any invention you can think up.

<b>Recommended Ages</b>	Year 3 to Year 7 (ages 8 to 12)
<b>Product Cost</b>	Kits start at \$150 Components range from \$10-\$80
<b>Where to Purchase</b>	LittleBits can be purchased from <a href="#">Core Electronics</a>

## Product Requirements

If State Library has this item for loan, use

## Loanable Kits

State Library has kits of this item available for loan to libraries within the Regional Libraries Queensland and Indigenous Knowledge Centres network. Libraries can place a reservation through the Aurora catalogue (availability is subject to existing reservations, loans and associated return dates).

The kits are for use by patrons within the library only, as part of supervised library programming. They will not be listed in the public online catalogue for personal reservation.

Please contact [Access Services](#), or phone 07 3842 9014 with any queries.

here, else use

## Loanable Kits

State Library does not have kits of this item available for loan to libraries.
