Ozobot

SLQ Wiki Fabrication Lab 2024/03/30 00:04

Ozobot

Ozobots are miniature robots (small enough to fit on a fifty cent coin) designed for children of all ages to learn basic coding in a fun and easy way. The robots follow lines on paper or digital screens, and detect codes based on colour.

Recommended Ages	Prep to Year 2 (ages 5 to 7)
Product Cost	$100-$120
Where to Purchase	Ozobots can be purchased from STEM based stores such as Education Technology Specialists or Core Electronics

Loanable Kits

State Library has kits of this item available for loan to libraries within the Regional Libraries Queensland and Indigenous Knowledge Centres network. Libraries can place a reservation through the Aurora catalogue (availability is subject to existing reservations, loans and associated return dates).

The kits are for use by patrons within the library only, as part of supervised library programming. They will not be listed in the public online catalogue for personal reservation.

Please contact Access Services, or phone 07 3842 9014 with any queries.
