Templates

This wiki uses the following templates for Technology Resources and Activities. We encourage authors to use them as much as possible to keep consistency for our readers.

Docuwiki uses a simple markup language. You can view the Docuwiki syntax at https://www.dokuwiki.org/wiki:syntax

Technology Resources

Technology resources need to be located at the following URL:

```
https://wiki.edgeqld.org.au/doku.php?id=digital_literacy:technology_resources:<<technology_name>>:start
```

Once you have created the page, you will also need to link to it on the Technology Resources page under the appropriate column. You create a link by entering the page ID (which can be found in the URL) within double square brackets.

```
[[digital_literacy:technology_resources:<<technology_name>>:start]]
```

Template

```
======Title======
Enter a brief description with an image on left (200px by 200px recommended)

| **Recommended Ages** | Enter the school age and child age (eg Prep to Year 2 (ages 5 to 7) |
| **Product Cost** | Add a cost range and what is included. If there are additional components, add them on a second line (use \\<space> to force a line break) |
| **Where to Purchase** | Give a general idea where the item can be purchased, It is OK to link to online stores, however link to the stores front page and not the item page directly  |

<WRAP clear></WRAP>

====Product Requirements====
List any requirements in using the product i.e. Internet access, tablets, etc

If State Library has this item for loan, use {{section>digital_literacy:clippings#loanable_kits}} here, else use
```

```
{{section>digital_literacy:clippings#loanable_kits1}}

=====Use In Libraries=====
Add any cases of the item being used in libraries and if any grants where
used to obtain the item. Seperate each library using ====Library Name====.
Delete this section if there are no cases.

=====Activities=====
Add links to any activities or workshops developed using a bullet list.
Activities or workshops that are not created by State Library should be
credited to that library. Delete this section if there are no activities.

=====Resources=====
Add resource links or downloads using a bullet list. Resources can be
grouped using ====Group Name====.

=====Tips=====
Add any tips for using this item. Use the following format:
===Tip Title===
Tip Answer

~~NOTOC~~
```

Activities

Activities should be located under the technology page using the following URL:

```
https://wiki.edgeqld.org.au/doku.php?id=digital_literacy:technology_resource
s:<<technology_name>>:<<activity_name>>
```

Once you have created the page, you will also need to link to it on the technology resources page under the Activities section. You create a link by entering the page ID (which can be found in the URL) within double square brackets.

```
[[digital_literacy:technology_resources:<<technology_name>>:<<activity_name>
>]]
```

Be sure to seperate each activity using a bulleted list and credit your library!

Template

```
======Title======
//Activity developed by [[library URL|Library Name]]//\\
\\
<WRAP 400px>
```

```
====Details====
| **Age group** | Enter the school age and child age (eg Prep to Year 2
(ages 5 to 7) |
| **Method** | Small/Large group (XX children) activity |
| **Participant to facilitator ratio** | 4:1 |
| **Duration** | 1 hour |
</WRAP>

====Aim/Key Learning====
Add the aim and key learnings. Use a bulleted list.
\\
====Preparation and Materials Required====
Add all the preparation and materials required to run the activity. Use a
bulleted list
\\
=====Activity Steps=====
====X. Step Title====
**Time:** Time that should be spent on this step\\
Step details. You can force line breaks by using \\ . Each step should be
numbered. It is recommended to include steps for Setup, Introduction and
Evaluation & Closing. Include photographs if it makes explaining the step
easier!
\\
