Book a session via https://slqpub.libcal.com/booking/sewing_machines

Booking Session Length

Maximum of one machine for up to 6 hours during opening periods

Maximum Number of Bookings per Session

Ten

Cancellations

- Customers can manage own bookings on website.
- Email and phone cancellations should be passed on to Fabrication Lab Supervisor

Late arrival

- If customer is late for a booked session we ask them to let us know when they will be arriving.
- If we do not hear within 30 mins of the start time, their booking may be cancelled to allow others to use the facility.

How flexible are we willing to be?

- Advance bookings are restricted to 1 machine, to make sure everyone has the opportunity to access the facilities.
- Customers seeking to use a sewing machine for more than the listed maximum weekly booking limits can apply to the Creative Manager to seek extended access.

- Applications for extended access should be submitted in writing 14 days in advance of first booking.
- Experienced users inducted to use sewing machine are also able to use overlocker by appointment. FBS are not expected to provide any other support overlocker can be complicated.
