Open Lab

Open Lab

Open lab is located on Level 1 of The Edge, it is State Library's free and accessible fabrication space for makers and designers to book and use the creative resources available with support from skilled staff. The basement level of the Edge closed after the February 2022 flooding event.

Bookable equipment resources include:

- Two laser cutters
- 3D printers
- Vinyl cutter
- Sewing machines
- Soldering stations

Open lab sessions are **Wednesday** 1.30pm to 8pm, **Thursday** 1.30pm to 8.00pm and **Saturday** 12.00pm to 6.00pm

Please note, equipment bookings are required for all Open lab sessions except at our weekly meet up, Hack the Evening on Thursdays from 5 to 8pm.

To find out about the latest workshops and inductions keep an eye on the Whats On pages on our website and sign up for The Edge enews here.

There's also a range of drop in activities you can undertake, check them out here.

How can I visit Open Lab?

All up-to-date visitor information is always on the the State Library Site.

- Check-in and accept our Terms of Use with our sign-in system
- Read through The Edge Bookable Resources and Workshop FAQs
- Say "hi" to your friendly lab supervisor

When you leave the Lab you will check-out with the visitor sign-in system.
